DNA with Kerry Farmer

I'VE DONE MY DNA TEST, WHAT'S NEXT

How do you get value out of the money you've paid for a DNA test?

This talk introduces the different DNA tests as well as some of the free tools available at GEDmatch.

COMBINING DNA WITH TRADITIONAL GENEALOGY

DNA alone does not solve most genealogical "brick walls".

But by combining DNA information with traditional genealogy, problems can be solved that were otherwise impossible.
