Have you ever thought about researching your family tree?

Visit us and discover how to get started and where to search next - wherever they came from.

- Have you started your research and got stuck on a branch?
- Do you have a family tree with big holes in it?
- Have you been meaning to get back into some more research?

We hold worldwide records:

- Local, Queensland, Australian, and International
- See what resources we have and you will have access to.
- We are a progressive group of over 300 members who maintain an active and well equipped research facility with an extensive library.
